Quick-Fit® Cable Glands, Nylon - with Spiral Flex Protector

The built-in bending protection offers improved and maximum protection for cables, flexible leads, hand tools and mobile machine parts to guarantee lasting operation

TRIPLE ADVANTAGE of PROTEC QUICK-FIT®

QUALITY. This is critical in cases involving flexible cable and leads to hand tools, mobile machine parts and in many other instances in the electrical appliance industry. The EPN 255 QUICK-FIT nylon Cable Glands with Spiral Flex Protector offer an improved level of safety against damaged cables and cores and in doing so guarantees lasting operation.

AVAILABILITY. With over 400 million moulded components shipped from our Oststeinbek / Hamburg logistics center we provide the fastest on time delivery service to all markets and industries.

PHILOSOPHY. The highest degree of Protec Quick-Fit functionality and safety at the best price in the market.

Material :

PA 6,
impact resistant nylon
